

Sant Bani School
Summer Reading / Art Expectations - 2021

All incoming Middle Schoolers are asked to read at least 5 books over the summer. All 6th, 7th, and 8th graders have 2 required books to read and can choose their 3 other books. Students should write a list of chosen books to be shared with Wendy once we return to school.

Students are asked to sketch, paint, or collage something (a character, a scene, an emotion, etc.) to accompany each required reading book. When we return to school, students should bring their sketches with them for discussion in ELA. Plus, the sketches will be shared with Kristin in Art class.
