Family Work Day 2011

Come on Saturday, August 27

Time for All – a goal of 9:00 am until 3:00 pm

On Saturday, August 27 we will be gathering to work together to prepare the buildings and grounds for the upcoming school year. Family Work Day is a time to reconnect with old friends and meet new families while completing many essential school tasks.

Everyone, please sign in at the greeting table at the Middle Building at 9:00 am, and you will be directed you to a team leader to work inside or outside in a particular area. Team leaders will have complete lists of projects and will direct groups of people in their area. **New parents** will start the morning with a tour of the middle building with to get acquainted with our cleaning closets and cleaning sections. After the tour they will be directed to a specific location/team leader to work with other parents. **The Parent Committee** has arranged a lunch break with a few goodies at 12:30, on the middle building playground. Bring your work gloves, basic tools, your lunch, and come join your friends.

A few of the regularly scheduled projects will be:

Setting up classrooms, cleaning vestibules, hallways and classrooms, washing furniture, straightening closets, trimming, hand weeding, mulching, washing windows and many other projects. Some parents have found a meaningful work experience when they work in their child's classroom. **If you have any special talents that could benefit the school, contact Sam Conkling or Peter Bacon before Work Day, so the perfect job can come your way.**

Particularly, experienced painters, carpenters or landscapers should call Sam or Peter before Work Day to plan these projects.

In the past some families have found it necessary to complete work day at a different time during the summer to fit their busy schedule. **If you can't come to Family Work Day on August 27, please contact Sam or Peter as soon as possible to arrange a time to fulfill your family commitment, perhaps this summer.** Families need to work for approximately six hours, and all are expected to participate.
