

Sant Bani School Occupational Resource Directory

The Sant Bani School would like to again make available to the entire school community a listing of occupations that parents and friends of the school have that others might find of use.

The directory lists the many and varied occupations, talents, and businesses that Sant Bani parents and friends have so that we might all better utilize and support the Sant Bani School Community.

If you would like to update your listing from last year or be included in next year's directory, which will be available to the entire school, please take a moment to complete this questionnaire and return it to Becky Beane at the below address or via email. It will be available in the fall.

If you have more than one occupation, talent, or business within your household, please duplicate this form.
