Parent Participation

The participation of parents in a variety of areas is essential both to the philosophy and to the smooth and economical operation of the school.

CLEANING: Parents clean the school on weekends on a rotating basis. Each family is responsible for approximately four cleaning times throughout the year. Depending on the speed and difficulty of the section assigned, about 4 person-hours are required to complete the task.

FUND-RAISING: Parental participation is necessary for Parent Committee fund raising events such as the Citrus Sale, the Catalog, the Cabaret, and the Yard Sale.

PARENT WORK DAY: Parents are called on for Work Days scheduled on one or two Saturdays in the late summer to prepare for reopening. Alternate Work Days can be arranged individually. Full participation is expected. The Maintenance Department often supervises the coordination of Parent Work Day.

Enrolling a child in the school is a commitment to 1, 2, and 3 above. Parents are also expected to attend the general parent meetings (thrice yearly) as well as individual parent-teacher conferences (following the semester and mid-semester reports).
