PERSONAL Recommendation Form

Name of Student: _____

Your name has been given to us as a reference for the above named student who has applied for enrollment at Sant Bani School.

Would you please give us your evaluation of this child, covering the following points. Keep in mind that while our program is flexible enough to accommodate an occasional child with mild learning problems, we are not equipped to help the child who is emotionally disturbed. The ability to work (and play) independently is a key factor to the success of our program, as children spend time each day working on their own.

If the space provided is not adequate, please attach a separate sheet and number the responses accordingly. We are aware that you may not be able to answer all of these questions and we thank you for the information that you can supply.

1. How long have you known this child?

4. What are the child's primary abilities?
5. What are the child's particular needs?
